Johnson Allotment Permittee

Dear Permittee,

On April 5, 2019, Matt met with Quinn to discuss the 2019 Annual Operating Instructions (AOI) for the Johnson Allotment. The numbers agreed upon are as follows:

<u>Head</u>	<u>Dates</u>
-------------	--------------

22 C/C	July 15 to September 30.
--------	--------------------------

The desired utilization level for the 2019 grazing season will be 25 to 30% utilization on key species in key areas.

By this letter, I also authorize you or persons working for you to cut and remove any trees needed for fence post and stays for structural range improvements within the Johnson Allotment. A copy of this letter must be in possession while engaging in any three cutting.

This letter will serve as your Annual Operating Instructions for the 2019 grazing season. I must review and approve any new projects prior to the start of them which may occur on the allotment. If you have any questions, concerns or issues related to this AOI, please contact Kendell or Matt at the Lakeside District Office at (928) 368-2100.

Sincerely,

EDWARD COLLINS
District Ranger
